

Forest Park High School Bruin Band Boosters

PARENT/STUDENT CONTRACT

Commitment, Dedication and Passion are key components to making a group successful. This is no different with the Forest Park High School Marching Band. We ask for a few things from both the student and their parents. It takes the resources of **ALL** those involved to become successful. We ask the following things from our participants and their parents.

I, _____, understand the commitment that I make to the Forest Park Marching Band. I will be at **ALL** rehearsals, performances, and sectionals that have been scheduled so that I can be a part of this renowned organization. I understand that if I choose not to follow rules and participate in 100% of activities that my grade may be affected and my participation could be limited for the remainder of the season. I commit to putting forth 100% effort in my endeavors to contribute to the success of the whole band. I also commit to participating in **TAG DAY**.

STUDENT SIGNATURE _____

As the parent of _____, I realize the importance of assisting in my child's experience with the Marching Band. I will help my child in his/her commitment to the band by having them to and from rehearsals and performances on time, to help them keep their academic requirements in focus, and making a personal commitment to participate in **ONE** event as a demonstration of my support to the Marching Bruin Band.

PARENT SIGNATURE _____

The FPBBB thank you in advance for your willingness to participate in what we hope will be a great experience for your child. Marching Band will cost approximately an additional \$20,000.00 after fees are collected. It is imperative that we have the manpower and support to make our marching band goals become reality through the planned fund raising activities. We also need parental support at games, competitions and band camp to assist in the task of creating music on the field.

THANK YOU! THANK YOU! THANK YOU!

For allowing your child a great experience!!
