Dear Forest Park Bruin Band Boosters!

The Covid-19 pandemic has created a truly unprecedented situation which has affected us all. Our hearts go out to anyone who has been impacted by the virus, either directly or indirectly. It is during this difficult time that communication with our parents is even more important.

We are trying to assume many of the usual duties that our booster program allows for and requires. Per our by-laws, we need to prepare for our general membership vote!! We would usually have this vote at our band awards banquet, but with these new conditions, we will have to conduct this online. We need every family/booster to participate so we can move forward with the new board and budget for the upcoming school year. Regardless of how the next school year may be, we have to plan and continue as normally as possible. We must obtain a majority that participates and vote so that we can retain our non-profit status. Please help us out! If you have a student in any band, you are a band booster. Even if your student is a graduating senior, you are still a member of our booster program for this year.

Our first order of business is a [call for candidates](#). Unfortunately, with the time that has escaped us from the initial school closings, etc. we are under a tight schedule. At this time, we ask that anyone interested in running for a position on the Booster Executive Board, please submit your name via this [form](#) no later than **Tuesday, June 2nd**. Voting will be open for the executive board and annual budget from **June 3rd to June 5th** via a link from Mr. Davern. Results will be announced no later than **June 8th** and all positions are available: President, Executive Vice President, Treasurer, Secretary and VP of Fundraising.

We can do this! Thank you so very much and stay healthy!

Tracy Jack
Exec. Vice President
Forest Park Bruin Band Boosters

Please email me with any questions and even better – your name and position you would like to run for!
